FIX PACKAGES

BENEFITS OF FIX PACKAGES:

- | lower hourly rate
- | priority pass
- | stable account manager
- | possibility to use night / weekend production times

Fix package SMALL:

Includes a subscription of **40 hours**/month. In one FIX package you don't have only one, but the whole team of graphic designers. The advantage of this is that we'll have someone ready to help you right away at all times. You will also get a professional in the specific area with the exact skill that you need for your work.

Fix package MEDIUM:

Includes a subscription of **80 hours**/month. In one FIX package you don't have only one, but the whole team of graphic designers. The advantage of this is that we'll have someone ready to help you right away at all times. You will also get a professional in the specific area with the exact skill that you need for your work.

Fix package LARGE:

Includes a subscription of **120 hours**/month. In one FIX package you don't have only one, but the whole team of graphic designers. The advantage of this is that we'll have someone ready to help you right away at all times. You will also get a professional in the specific area with the exact skill that you need for your work.

Fix package EXTRA LARGE:

Includes a subscription to an **unlimited number of hours**/ month. This is useful if you need to enter a lot of work regularly throughout the month. The resulting hourly rate can be really low if you really have a lot of work to be done. However, the condition is that the work must be for your company or its sister / subsidiary company only and it cannot be outsourced to third parties.
